Steamy sex

After a bad day at work I decided to go for a jacuzzi. Only one other club member, Paul, was there. He seemed to be flirting with me so I flirted back but after a while I said goodbye and moved to the steam room.

After about five minutes the door opened and Paul came in and sat right next to me. All of a sudden his hand started stroking my leg. I don't know why I didn't stop him but it felt so good.

As his hand reached the top of my thigh I let out a small moan. Paul took this as a sign to stop and he took his hand away and said sorry. My reply was to put my hand on his cock and start to rub it.

I don't know if it was the steam but I felt so hot and horny and my pussy was throbbing! Paul undid my bikini top and started sucking on my nipples making them

orgasms exploded through me.

I was still quivering with pleasure as Paul laid me down on the wooden bench, opened my legs and started to lick my pussy. Before I

hard and erect. The steam was making our bodies wet which made it even easier for me to slip my soaking pussy on to Paul's rock-hard cock.

Paul picked me up and bent me over the wooden seating and started fucking me from behind. God it felt so good!

You could hear the slapping of his heavy balls against my arse as his huge dick slammed in and out of my throbbing pussy. The more I moaned the harder and faster Paul's cock fucked me.

My body was wet inside and out and all of a sudden I was screaming with pleasure as my whole body started to shake and an

knew it, I was cumming all over again. Paul got on top of me, slipped his dick back in me and fucked me again until we both came together.

Boiler serviced

The boiler in our bathroom was due for its annual service. The engineer had called to say he was on the way, and so we were expecting him within the hour. Rob asked me if I was feeling naughty and whether I fancied a bit of fun.

I changed into my shortest mini skirt, put on a pair of hold-ups but no knickers, a tight white vest-top with no bra and a pair of my highest black stilettos. Rob more than approved of my choice of clothes and struggled to keep his hands off me while we waited for the engineer.

When the doorbell rang I took a deep breath and answered it. There stood the boiler engineer. His eyes widened as they darted all over my body. He introduced himself as Tom. He was in his late twenties, was nice enough looking, but came across as a bit shy and unsure of himself.

not believing what he was seeing. I began to fuck myself in front of him. "Do you want to have a go?" I asked. "But what about your husband?" he said. "Don't worry about him. He likes to watch me have fun."

Tom didn't need any more prompting. He started to dildo-fuck me, in and out, faster and

faster, sending mind-blowing vibrations right through my now dripping wet pussy. I put one leg up on the bath so Tom could go deeper with the toy and I began to moan with pleasure.

The next thing I knew, Rob was behind me, lifting up my top to release my tits. He began to massage them which was enough to tip me over the edge and I was soon cumming and gushing all over

stickier with my juice.

When I'd finished, I told Rob to lie on his back. I straddled him and then sank my pussy onto his cock. Tom stood in front of me with his

Tom groan as he directed a hot jet of spunk all over my face and tits.

After watching me get pasted in another man's cream, Rob was soon

I told him to follow me upstairs to the bathroom where the boiler was. As I went up ahead of him, I hitched up my short skirt up just enough to reveal the top of my hold-ups and really wiggled my arse.

I could feel his eyes all over me and my pussy was getting juicy. Once in the bathroom, I offered him a cup of tea and left him to it.

Ten minutes later, I arrived

My man watched me get jizzed on

with his tea. Tom was on his hands and knees working on the boiler. I started to make chit-chat with him and, as I was talking, I opened my legs so that he could see right up my skirt. The poor lad was trying to stay polite, but his eyes were all over me, and I could make out a bulge in his trousers.

I then pretended to notice my vibrator on the floor, which he had moved. I acted all embarrassed and said that I had completely forgotten that it was there. Tom said not to worry and that it had put a smile on his face when he had seen it.

I took this as my cue. I asked him to pass me the vibrator. I turned it on, and it buzzed into life.

I pulled my skirt right up, opened my legs wider and slowly began to rub my wet pussy lips with the head. Tom just sat there and watched me open-mouthed,

my dildo and Tom's hands.

I could tell I was going to have to take charge of Tom so I told him to stand up and get his cock out. He did as he was told. I sank to my knees and took it into my mouth, sucking for all it was worth. By this time Rob had also released his big dick and so I was able to go from one cock to the other, giving them both a blow job they would never forget.

I dragged them both to the bedroom, got on all fours, stuck my arse in the air and told Tom to fuck me hard from behind and Rob to stick his cock in to my mouth. They both quickly did as they were told. Perfect, a cock in both holes!

Tom pounded away at me and Rob was in his element getting his cock sucked while watching his missus getting a right good fucking. Before I knew it I was cumming again and making Tom's cock even

cock sticking out proud so I was able to lick all my cum juices off him while giving him a good sucking too.

As I bounced up and down on Rob's cock, grinding it into my pussy, I got faster and faster as I felt my third orgasm of the day ripping through my body like a volcano.

I told the two guys how I wanted their spunk. I wanted them to ejaculate all over my face and tits. I lay down on the floor, playing with my tits and swollen pussy as they both stood over me furiously wanking their dicks. I knew Tom would cum first as he'd been close to cumming already and I know Rob likes to watch me getting jizzed on. I heard

straddled over me to unleash a sackful of his own. I was covered in two loads of spunk and I loved it.

What a great spunk session! Who knew getting your boiler serviced could be so much fun?

Dee, Wales.

Fifty Shelves of Grey

A Selection of Great Books
EROTICALLY Remastered

LIT CLIT

For the lustful literature lover in your life, *Fifty Shelves of Grey* (Constable Robinson, £8.99) takes perty parodic potshots at literary classics. The ripe romanticism of *Captain Corelli's Mandolin*, the ironic manneredness of Jane Austen and the moralising of Immanuel Kant are erotically remastered by Vanessa Parody. Corelli enjoys a spot of mandolin love, Elizabeth Bennet employs a horny handmaid and Kant explores the metaphysics of cunnilingus. I enjoyed the sexing up of Kafka's *The Metamorphosis* – after all, I'm used to men turning into verminous insects overnight!

SLEAZY, SPIDER

Not for the squeamish – more for the screamish. I nearly shattered the glass door to my office playing with this eight-legged freak from *lovehoney.co.uk* (£12). Covered in ridges, bumps and nodules for a spintingling *Hollowe'en* humping session, this bullet vibe has ten vibrating functions – more than enough even for a tart like me!

MAD FOR IT!

Dazzlingly fit director Scarlett Revell (pictured left) makes her debut with this twisted tour of a sex asylum. The budding Spiel-bird coaxes ball-tightening performances from our Harmony favourites.

Dear Julia

If you haven't already done so, you've just got to arrange a pro shoot for Kat from Lancs (vol 32 no 9). What a gorgeous inviting arse, and those incredible yummy fleshy lips are so fantastic my dick has been permanently standing to attention. Alex, Milton Keynes. P.S. Any chance of your good self appearing with your bits out?.

Julia says:

I've not appeared in the mag for years but if people want an eyeful, maybe I'll take the plunge (like my neckline) next month.

DEAR JULIA

Dear Julia

I've been an Escort reader and wanker for a very long time now (going back to when cunt was covered). Escort is one of the very best top shelf mags, with good readers' letters, a fantastic contact section and great models – don't change.

Could you please team up Scarlet, Jaye, Axa and Katie K for a mammoth food splashing session with all of them getting covered in custard, chocolate, whipped cream and ice cream. It would make my day. Keep up the good work!
Fred, Watford.

Julia says:

Here's a pic of Jaye to keep your pants messed up.

Dear Julia

What a dream come true to see Katie K back in your pages!
John, Crewe.

Julia says:

I haven't stopped wanking since her return. And neither has she!

NO ENTRY? WHO IS READER JANET KIDDING? WE KNOW THIS FILTHY FIFTYSOMETHING FROM HULL WELCOMES ALL-CUMMERS!

SCOTTISH OATS!

There's not a pair of trousers in sight in Harmony's *Young Harlots Highland Fling*. Our favourite scene has to be Hannah Shaw toying with two sporran-sporting studs before tossing their cabers (centre) but also on the kill list are Sophia Knight, Jess West and Lexi Lou, who all do a fine job producing hot porridge.

SWINGERS' DINNERS

Polpo
London EC1M

**Not a Cornetto in sight at
Julia Jones' new favourite
Venetian restaurant**

Like the best sex parties, a little bit of what you fancy is the way to satisfaction. Why do you want to be stuck with one person in the corner when, oooh, look over there, who's that strapped to the Judas seat? That guy with a tangerine in his mouth seems up for it. And what's going on in the Red Room?

That's part of the reason I love Polpo, a Venetian style bâcôro with a currently fashionable penchant for small sharing plates. Sharing means conviviality and flirtation and if you don't know your diners intimately to begin with, you will by the time you've mineswept their plate for that last piece of pork belly.

THAT GUY WITH A TANGERINE IN HIS MOUTH SEEKS UP FOR IT

For a lady with a large appetite, knowing you can graze almost an entire menu always gets my juices flowing. And that feeling must have contributed to my never having married, which I've always thought must be like munching your solitary way through a huge plate of oven

chips. All the salt and vinegar in the world isn't going to liven that up.

As befits an establishment where sharing and swapping are paramount, I took along two of the office ladies Sharon and Sam. We had once all ended up in the sack with our finance director. I was to be reminded of this when we squabbled over the veal meatballs later.

Friendly staff recommended three plates per person, so we plumped for four. We started decorously enough but as the wine flowed, intimacy levels rocketed and soon I was parked in Sharon's lap, feasting on a delicious brown shrimp, fennel and caper pizzetta. Sam meanwhile picked the pickled pepper and cured

pork shoulder pizzetta and fed it to me. Both were palpable hits. Veal and porcini meatballs were gutsy, some spherical sisters of theirs, made with chickpea, spinach and ricotta, were a kind of lighter, fluffier falafel. Delish.

Next came sliced flank steak and Portobello mushrooms, swimming in its meaty juices like me after a session with my Rabbit. Cod cheeks, lentils and salsa verde followed pork belly, radicchio and hazelnuts. Excellent combinations. Service lost focus in that post-main wasteland but was otherwise friendly.

Lips and fingers daubed in each other's sauces, we were inspired to take this new spirit of sharing back to my office.

REAL WIFE SEX

Sarah, Camb

Did your parents tell you not to talk to strangers? Drop that advice for sexy swinging times, writes Tony

Having been with Sarah for six months now, and I really can't believe my luck, I'm 45 and she's 19 and totally fucking stunning. Just look at these pics.

We met when I was staying at a hotel for a conference; she was working there and we just ended up together. My mates think I'm going through some sort of midlife crisis – but so what if I am? Look at the absolutely gorgeous woman I'm getting to screw. She's the smartest, sexiest babe I've been with in my life – and by far the rudest. I'm still gobsmacked at what a total slut she can be sometimes.

We both know that my one problem is keeping up with her mammoth sex drive, and one day Sarah suggested getting another bloke involved. I was a bit freaked out at first, until she said that she wasn't looking to get together with another guy on a regular basis. Her plan was simple: we'd go abroad for the

weekend, she'd pull some stud – and put on a live sex show for me.

Then we'd show him the door and shag the arse off each other. I'd get a sexy show and a horny fuck, she'd get the mammoth cocking she craved. I was up for that, and at least it meant she wasn't just going to dump me outright for a younger bloke.

She engulfed his bulbous cock head in her mouth

I did have one condition – we'd pretend to be a photographer and model, so I could direct all the action. Of course she was well up for that. We booked tickets for the next weekend in Amsterdam and, once we were settled, headed out to a bar. There I watched as

she chatted up this tall, blond, muscular stud. I'd been helpless the night she'd got off with me, and she was having the same effect on him.

His name was Frank, and I started snapping from the off, so they'd both get used to the camera as soon as possible. I decided to let them do their own stuff – I said I wanted it raw and dirty – but threw in a bit of direction when I wanted to. I started out telling Sarah to do a strip for the camera – she played with her tits and pussy as she got naked, stealing little winks and glances at the camera and getting Frank all steamed up. By the time I told her to peel off his jeans, his cock was stuck up like a flagpole.

Next thing I knew, she just sank down on her knees, licking her lips, then started tonguing his balls. It was no hands, she just mouthed and sucked his sack, so his cock was quivering above her face, dripping pre-cum down his shaft. I knew she wouldn't be able to resist that for very long, so I zoomed

in close as she ran her tongue up the underside of it, flicking the tendon under his helmet, then just engulfing his whole bulbous cock head in her hot little mouth.

He let out a massive groan, and I saw him clench his arse like he was panicking he'd shoot his load right then. But he held it together. That blowjob was just a tease for starters, anyway.

Sarah gave him a playful shove, so he fell backwards on the bed, legs dangling off it. She climbed on top of him, giving me the best angle up her slit and crack

Bubbling juices oozed out of her shaven snatch

as she wanked his cock against her clit. Then she sank down on him, inch by inch, her wet pink pussy stretching open to take his thick girth. He was straining hard, veins popping up on his rigid, straining shaft, but she carried on tormenting him, pulling completely off him so his helmet slipped out.

"Just fuck the poor bloke!" I told her, and instantly she took him in her cunt down to his balls. She rode him so hard, her arse pistoning up and down on his prick. He was giving as good as he got, hammering up into her and grabbing handfuls of her tits to suck on.

Then I told him to flip her on her back and really stick it to her. His English was pretty fluent, and he sure as fuck understood that. He rolled her over, shoved her legs up and back and started banging his cock up her again.

I got some real hardcore shots of his bollocks bunching up against her arse as he thrust in deep, and the bubbling juices he pushed out of her shaved snatch.

He reached down with one hand and started to finger her arsehole before pulling his cock from her pussy and pushing it into her arse. Sarah groaned, grasping the bedsheets as she pushed

KITTY

KITTY

19-year-old
Kitty was
discovered in a
bar in Winchester,
dancing on a table
with no knickers
on. Beer goggles
and general
dinginess meant
we couldn't get
a proper look
so we invited
ourselves round
to hers the next
day for a close-
up. Pink, puffy
and perfumed, it
looked every bit
as tasty as it had
while being dipped
into the foam on
our pint of lager!
Cheers, Kitty!

There were pleasured smiles along the miles of the front in this hedonistic Lancashire resort when our girl Megan made a dirty day strip there. Like the Pleasure Beach's slogan says: See It, Feel It, Love It! "I loved it alright — and I felt a few pricks and all!" reported Megan.

"I love Britain but sometimes I need to escape somewhere the men aren't quite so shy and retiring. Like Spain," says Sandra (20). "If I spread my thighs and offer up my wanton pussy to whoever wants to take it, I'll get loads of offers here. Blokes in Harrogate can be a bit boring!" That's all well and good, Sandra, and we respect a girl who follows her cock dreams overseas – but wouldn't a trip to Leeds have been a bit cheaper?

Bald manoeuvre

When I finally faced up to the fact I was thinning on top, I decided I'd do the only dignified thing – shave off the lot. Rather than just coming

home from the barber's looking like a boiled egg, I gave my missus, Kate, a bit of warning, and she offered to do it for me.

I sat starkers in front of the bedroom mirror, while she danced around with the clippers, wearing the new red lingerie and stilettos she'd bought too – any excuse!

When I stuck my newly clippred noggin in between her tits and shook it about a bit, it did get her all horny. She said she couldn't wait to see how it felt in between her thighs.

I got her knickers off to give her a licking, leaving her in stockings and sussies. She's got quite a thick, dark bush, so I said fair's fair, she should let me shave it. She told me she'd actually prepared for that, as a bribe if I bottled the

head-shaving. But as, by now, I was a bit too pissed for her to trust me with a razor, we used her hair-removing cream instead.

A few minutes later we were both stood in the shower, watching her pubes melt away to reveal a cueball-smooth, pink pussy. She gave herself a bit of a grope and said I had to feel it. Patted dry it was so soft and silky, and now I finally got to give her head.

She's well ticklish, so the stubble on my head and chin drove her crazy. In the end she clamped her thighs tight around my ears, so she could focus on taking my tongue!

Sucking her had never felt so wet and sloppy, cunt-cream flowing free with nothing to mop it up. I was making all sorts of dirty, horny noises, especially when I stuck a couple of wet fingers up her arsehole, pumping them so her pussy

spasmed with pleasure.

By now my dick was stuck up like a flagpole, and when I gave my mouth a rest she

got me in position, rubbing my dark-purple helmet all over her mound. Her

I blew my load all over her newly shaven cunt

skin was so pale, although when she opened up her labia, her slit looked really engorged and pink. It almost hypnotised me, watching her play with my knob like this. I'd fucked her all ways so many times since we'd been together, but this was something new.

Maybe I got a bit too carried away – next thing I knew I was blowing my load all over her cunt, white sticky jets splattering all over it, bubbling up as she carried on rubbing my prick against it, until I was totally spent. This was a new one on me too – I don't normally get that over-excited. But she was pretty forgiving when I licked it clean.

Back in the bedroom, I had her on all fours to give me the rear view. Now she'd cum a couple of times, even her outer labia were blushing. I pushed in slow, feeling every inch of my dick sink in until I was right down to my nuts in her pussy. She had a vibrator on her clit so all I had to do was fuck away, sure now that she'd cum again before I did.

Sure enough she was off in seconds, then again just before I felt my balls seize up and fire. Then I got to pull out, sit back and just watch my muck ooze out of her.

I've now got used to my new look – and Kate's bald pussy's too!

Sean, Cornwall.

The bottom half features a woman with dark hair and a red devil costume, also smiling. The background is a dark, textured surface with orange and black diagonal stripes. Large, stylized text overlays the image, including 'HALLOWEEN SPECIAL!' at the top right, 'HAPPY HALLOWEEN' in the background, 'ARACH-NO-CLOTHES-IA!' in the center, and 'THE DEVIL WEARS NADA!' in large red letters. A small text box at the bottom left reads: 'Like bobbing for apples or turning the lights off when the local louts come round, frighteningly sexy Escort slappers are part of our Hallowe'en tradition!' Festooned with big 'orrible spiders, Katie K is normally to be found on top of a stool screaming and waving a mop about whenever she sees a real arachnid. Selling your soul to the devil doesn't seem such a bad deal if the old serpent happens to be Escort fave and princess of darkness Samantha Bentley. Skull fucked

Last Hallowe'en I was invited to a party where everyone had to wear fancy dress.

After a few drinks, we were all merry and feeling a little frisky and, as we were all wearing masks, no-one knew who was who and therefore didn't know who they were feeling up.

and wanted to gush all over his hands and then suck his fingers dry. I came in floods, drenching him as I promised and then cleaned him up with my tongue. When I had calmed down, I knelt in front of him and pulled his trousers down to his ankles.

My eyes lit up and my mouth watered as out popped a very large and very hard dick. I licked the bulbous end,

Some guy in a Frankenstein suit suddenly put his hand up my dress, and felt that I wasn't wearing any knickers and also that I was already wet through.

Lots of people were by now 'getting together', quite openly shagging or giving oral sex and this was really turning me on!

I opened my legs as wide as I could so that Frank could get his big fat fingers into me. I told him to pump them really hard. I was soaking wet

and then the stem and balls, before sucking each ball in turn. Frank pushed his cock into my mouth and then, holding my head, fucked my mouth until I was choking.

We cleared the kitchen table and lay down on it, my legs wide open and my cunt dripping wet. Frank slid his cock into me and started to fuck me hard. We had been at it for a few moments when I felt someone climb onto the table I looked up and saw the bride of Frankenstein

stood over me, one foot either side of my head. She gradually lowered her pussy down to just above my mouth. I stuck out my tongue and began to flick her clit and lick the juices out of her pussy.

After a while, Frank was making me cum and

It felt like a hose-pipe had been turned on inside me

his 'bride' was coming all over my face. This caused Frank to explode inside me. He came so hard it felt as though someone had turned on a hosepipe and shot it up me.

When we had all settled down, Frank and his bride left me on the table, dripping in spunk and fanny juice. I wasn't alone for long though as other guests used and

abused my every hole. I came so many times I lost count and by the end of the party I could hardly walk.

Our host was the only one who hadn't shagged me so he invited me to stay the night, and fucked me twice more before we fell asleep.

I never discovered who my Frankenstein was!

WWW.PAULRAYMOND.COM

Sweet Sherry will take your cream on her Bristols! And we thought sherry was such a civilized tipple. A tit wank from the filthy filly with the fortified tits is the perfect aperitif to a long, indulgent munch on her muff. "I hope you like my boobs, readers," cooed the 24-year-old Mancunian. "Let me dangle them over your cock while you plate my pussy. As I cum hard over your tongue, legs trembling, I'll splash them down on your cock that I've been wanking and let you spurt your load out into my warm, doughy cleavage!"

“I’m ready for your big load!”

REAL WIFE SEX

Sarah's story continued from page 19

back, impaling herself on his cock. He started to ram in and out of her arse.

Sarah whimpered as the pace picked up, and soon they were going like the clappers. It was pretty horny, but I wanted her to finish him off with her mouth. I told him this, and he pulled out, trailing his cream-coated prick up her body before wiping himself on the crumpled sheets.

Then he knelt over her body and waved his cock in front of her face. She grabbed it and rubbed it all over her face, then took it in her mouth, furiously wanking his shaft. She shut her eyes, savouring the taste of him. I saw his

cock thrust deep into her mouth, then he groaned that he was cumming, but Sarah just carried on sucking, taking most of his load in her mouth before

finally letting him pull out and spray the last few jets over her chin and tits.

Then she let the cum dribble over her chin so that I'd get the best cum-shot I

possibly could.

I thought she'd let him hang about for a ciggie, but she had him dressed and out the door right away. None too soon for me, though. My prick was aching in my pants – I'd resisted the urge to wank but now my balls felt like they were going to burst. Then Sarah crouched down on the floor, her puffed-up pussy and arsehole wet and open for me.

Who knows how I lasted long enough to bring her off, but after that I only had a couple more pushes in me before I shot my

load. Still, I told Sarah to stay right where she was, and snapped away as I smeared spunk and pussy juices on her tight pink arsehole. Then, once I was hard again, I photographed my cock sliding up it slow and easy...

Tony, Southampton.

Certainly not available for children's parties, Scarlet (23, from Taunton) prefers a different kind of ball pool anyway. "It's when five or six lads get their tackle out and let me lick and suck their cocks and bollocks till they cum all over my quivering body, leaving me in a puddle of sticky spunk! It's a fantasy of mine and I hope that enough dirty readers might get together to help me fulfil it. I wish I could get every load from every reader who wanks over this and smear it up my pussy and over my boobs!"

Crack on track

There are times I think I'm going to burst if I don't get a good shagging. Take the other morning – I'd spent the night with this bloke I'm shagging on and off, and he set the alarm early so we could have a fuck before I left his to go to work. Normally I hate the rush-hour tube, but I was still enjoying my post-cum glow and nothing could spoil it.

As per usual, the train was rammed full, and I was backed up against some bloke. I never looked back at him once, so I can't describe him – pretty tall, I reckon, that's about it. The front of him was right up against my arse and back – at the time I didn't know if it was deliberate or not. Normally I'd

have shifted position away from him, but this time I started rubbing up against him. Accidentally on purpose at first, but then more blatantly. I stopped a couple of times, and he wasn't moving, but then I felt him pressing his crotch up against me. Then he got even bolder. I felt his hand stroking my hip and I suddenly grabbed hold of it. I felt him tense – he must have thought I was going to hold it up and shame him or something. Instead I moved it on to my arse. He groped it, but he was still taking things a bit too slow for my liking. I still didn't look at him – that could have spoiled it. But I leaned my head back and whispered, "I'm off in six stops."

He went still as he decided what to do, then I sucked in a moan as I felt him slip his hand in between my legs. Even though my

skirt was short, it was a tight squeeze sliding it inside my tights and knickers.

He pressed his palm along my slit and trapped my clit in between two of his fingers, rolling and rubbing it rhythmically. He managed to bend another one back, get it

Three into one

One night, my husband was down the pub with his mates and I was stuck home alone feeling horny.

I got changed into some of my sexiest underwear and decided to have a little play by myself while I waited for hubby. I got out my favourite vibrator and started wanking. I was having so much fun

that I didn't hear my husband come in, and he wasn't alone. So there I was, lying on the sofa with my legs spread wide and a vibrator up my pussy.

And there was my husband standing in the doorway with two of his mates all grinning down at me. Well, like I said, I like a lot of cock and my husband seemed to look happy so before I knew it I had asked, "Who's first?"

Next thing I knew, all three men were naked in front of me. I got down on my knees and with a cock in each hand I took my husband's straight in to my mouth.

I licked it with my tongue and then took his whole fat cock so deep in my mouth I could feel the tip at the back of my throat, all the while wanking off the other two.

By now I was very horny and needed to be fucked. I had all these big hard cocks and I wanted to feel them in my dripping wet pussy.

My husband must have read my mind. Pulling out of my mouth, he walked behind me,

hoisted my waist up and slammed his throbbing cock straight inside my hot cunt.

Instantly I was a very happy girl and as he started to fuck me hard I sucked off his mates, letting them fuck my mouth as my

I could feel his balls slapping against my clit and I felt like I was going to explode. After a few seconds I couldn't hold it any more.

I came all over his thrusting cock and straining balls. It must have really turned him

on seeing me suck another man's dick as he soon pulled out and shot his salty hot load all over my arse cheeks.

in my pussy and, with a bit of tensing and wiggling from me, finally get me to the brink.

We reached my stop but I didn't care. I was just staying

where I was until I came. "Faster..." I groaned, and he pumped hard in and out of me, until my cunt began to pulsate around his fingers.

He rhythmically rubbed my clit

I came so hard it was like flashing lights – and not just from pulling into the next station. Then, when the doors opened, I just walked out and on my way without glancing back – it really gave me a thrill not knowing who'd just fingered me.

I'm not condoning blokes who go round touching up women on public transport – it's totally out of order. But I know I started it with this guy and if we both got a buzz out of it, then where's the harm?

I didn't get a lot of work done that day, and I had to buy fresh underwear before I went into the office!

Naomi, London.

But I still had two more horny men at my mercy. I cocked my leg over one of them, ensuring he got a good look at how wet my pussy was, before lowering myself on to his dick.

I started to ride him, my pussy gripping his cock tight while my big tits bounced in his face. I reached behind and cupped his balls and began to massage them as I fucked him. This tipped him over the edge and he groaned with pleasure as he shot his spunk up deep inside me.

I turned my attention to the last man standing. Taking his huge cock in my mouth, I sucked up and down it faster and faster.

I could feel him throbbing in my mouth and all of a sudden he was shooting his hot salty cream straight down the back of my throat. I gulped it all down and then cleaned his cock with my greedy tongue.

Lets just say the boys come home from the pub much quicker on a Saturday night now!

Nicky, London.

Boobs, man

There's this chap at work who's obsessed with my tits. I went out for a drink with him to see how he reacted to one of my new busty tops.

His face said it all, so I flirted, fingering the edge of my blouse just by my cleavage. After a couple of drinks he asked if he'd get a slap if he tried to kiss me. I ended up taking him home.

He did like my top but he

front of him and he placed his hand-on along my cleavage.

He was so turned on as he kneaded them around it, fingering my nipples too. There was a little bit too much friction, so I took him in my mouth, to make things a bit more slippery.

As I let him out again, the underside of his helmet brushed my nipples, making his prick twitch, but he slapped it back in between my globes again.

As he started to screw them

I licked sticky strings off my tits

was quick to get me out of it, and see how my boobs looked in my bra. Then I unhooked it so he could see they stayed just as pert even when I took it off.

He couldn't keep his hands off them any longer, kneading them together and sucking on my nipples. Then he said one thing would make them look even better – his cock between them.

I'd had blokes play with them before now, but not actually fuck me between them. But I knelt down in

harder and faster, he was shoving them right together so he got the tightest-possible fuck. But I managed to slip a hand in position to cup his balls, squeezing and pulling on them when they started to bunch up.

I don't think I've ever seen such a huge load of spunk. I let it splatter all over my boobs. When we'd wrung the last few drops out, I licked the sticky strings off my tits.

He reckons my tits are officially the best pair ever!
